Pasindya Chavindee

3RD YEAR UNDERGRADUATE AT SLIIT | INTERN QA ENGINEER

0712174880· pasindyachavindi13@gmail.com
No.08,Pubudupura,Bandaragama

SUMMARY

I am a third-year, first-semester IT undergraduate at SLIIT with a strong foundation in software engineering and hands-on experience in project development and testing. I am skilled in writing and evaluating test cases, analyzing code, and troubleshooting software issues. I enjoy collaborating with teams to improve software quality and user experience. Passionate about technology and eager to apply my technical and analytical skills in a Software Quality Assurance internship to contribute to building reliable and high-performing software systems.

SKILLS

Tools & Technologies :
Basic knowledge on Apache JMeterSelenium WebDriver, Rest Assured and Postman

Technical Skills:
MERN Stack ,Springboot, MySQL/MongoDB,Python, Java

Soft Skills:
Self Learning,Teamwork, Leadership,Effective Communication

PROFESSIONAL EXPERIENCE

SLT-MOBITEL   Jan 2025 - Present
Software Quality Assurance Intern

- Worked on Debt Recovery System (DRS) project performing test case writing, API testing, UI testing and performance testing using tools like Rest Assured, Postman, Selenium and JMeter to ensure software quality and reliability .
- Worked as technical supporter in BOC Panadura City Branch under QMS project
- Working on MYSLT app project doing API testing

PROJECTS

Travel Trails Traveling Web App   Mar 2025- May 2025
This is group project under ITPM module .I was the group leader of this project .
We Implemented this project using MERN Stack & using API s.
I implemented package & hotel booking part under this project
https://github.com/Pasindya/ITPM-Project-MernStack

Skill Sharing WebApp   Mar 2025- May 2025

his is group project under PAF module .I was the group leader of this project .
We Implemented this project using Springboot + MongoDB.
Recipe Management was the function implemented by me under this project.
https://github.com/Pasindya/Cook-Book

Surfing School Management System   Mar 2025- May 2025
This is group project under ITP module .I was the group leader of this project .
We Implemented this project using MERN Stack.
Under this project I implemented lesson management function
https://github.com/Pasindya/Surfing-Project-MERN-

Weather Dashboard   **Dec 2024**
This is a Simple weather dashboard done by myself using HTML, CSS ,
Java script & using API
https://github.com/Pasindya/WeatherApp

Online Parking System   **Aug 2023 - Sep 2023**
This is group project I implemented CRUD operation for Support page
 of this project . We implemented this using PHP
https://github.com/Pasindya/Parking-System

EDUCATION

B.Sc. (Hons) in Information Technology   **Jan 2023- Present**
Sri Lanka Institute of Information Technology

Professional English & IT   **Mar 2022- Jul 2022**
Aquinas College of Higher Studies

G.C.E. Advanced Level   **2019 - 2021**
Panadura Balika Vidyalaya

G.C.E. Ordinary Level   **2010 - 2018**
Sri Sumangala Balika Maha Vidyalaya
